Ravindu Aratchige

Software Engineering Undergraduate at Kotelawala Defence University
Gampaha, Western Province, Sri Lanka

Summary

I am a conscientious and hardworking undergraduate with an excellent academic record and multiple soft and hard skills. I have good team-building skills, communication skills and I am fluent in both Sinhala and English. I am very keen on learning and gaining new experiences and qualifications. I am passionate about frontend web development and cybersecurity.

A little bit about me:

Software Engineering Undergraduate at General Sir John Kotelawala Defence University.

Former Engineering Trainee at Aitken Spence Plantation Managements PLC (Elpitiya Plantations PLC).

Completed A/Levels in Physical Science (Mathematics) Stream in 2020.

Most Outstanding Student (2010 - 2011) - Wendy Whatmore Academy of Speech and Drama.

Studied at Adventist International School, Negombo and Loyola College, Negombo.
